

Shoreline Vegetation Workshop

WEB RESOURCES

King County Native Plant Guide – an interactive page that lets you search for native plants based on site conditions and plant characteristics, very useful: <https://green2.kingcounty.gov/gonative/Plant.aspx?Act=search>

WA Dept. of Ecology Aquatic Weed Control Permits – information on permits for applying herbicide in shoreline zones, with a link to the application:

http://www.ecy.wa.gov/programs/wq/pesticides/final_pesticide_permits/noxious/noxious_index.html

NRCS Web Soil Survey – interactive soil mapping application for determining the mapped soils and soil characteristics of a site.

https://www.nrcs.usda.gov/Internet/FSE_MANUSCRIPTS/washington/WA055/0/SanJuanWA.pdf

San Juan County Polaris website, vertical aerial images from summer 2017 and parcel information, including LiDAR topography, mapped Critical Areas (e.g. Unstable Bluffs, Wetlands, draft coastal flood zones).

<https://sjcgis.org/PolarisJS/>

San Juan County Code- Shoreline Master Program

<http://www.codepublishing.com/WA/SanJuanCounty/#!/SanJuanCounty18/SanJuanCounty1850.html>

San Juan County Tree Removal Application

<http://www.sanjuanco.com/DocumentCenter/Home/View/987>

Georeferenced historic maps (T-sheets)

<http://riverhistory.ess.washington.edu/tsheets/framedex.htm>

WA Dept. of Ecology oblique aerial images of shoreline images, 4 time series 1970's to 2016

<https://fortress.wa.gov/ecy/coastalatlus/tools/ShorePhotos.aspx>

WA Dept. of Fish and Wildlife Waterfront Property Owner Guide (site mgt. guidance for homeowners)

<http://wdfw.wa.gov/publications/01791/wdfw01791.pdf>

WA Dept. of Fish and Wildlife Marine Shoreline Design Guidelines (site mgt. guidance for professionals)

<http://wdfw.wa.gov/publications/01583/wdfw01583.pdf>

Sea Level Rise Vulnerability Assessment for San Juan County (MacLennan et al 2014) and Healthy Beaches for Fish and People Project Reports (FSJ 2014): www.sanjuans.org/NearshoreStudies.htm

WA Dept. of Ecology Shoreline Resource page: shoreline vegetation

WA Dept. of Ecology Shoreline Resource page: slope stabilization

<http://www.ecy.wa.gov/programs/sea/pubs/93-30/index.html>

WA Dept. of Ecology Shoreline Resource page: shoreline vegetation: managing vegetation on bluffs

<http://www.ecy.wa.gov/programs/sea/pubs/93-31/intro.html>

WA Dept. Ecology Shoreline Resource links

<http://www.ecy.wa.gov/programs/sea/pubs/93-31/info.html>

WA Dept. of Fish and Wildlife Forage Fish Spawning Beaches Maps (note: additional known spawning sites in SJC that are not yet on state maps, contact FSJ tina@sanjuans.org for more information)

http://wdfw.wa.gov/conservation/research/projects/marine_beach_spawning/

WASHINGTON DEPARTMENT OF ARCHAEOLOGY & HISTORIC PRESERVATION

Department of Archaeology and Historic Preservation's website. On this site you will find information on historic buildings, the archeology of Washington State, how to navigate our regulatory processes and how to nominate properties to the State and National Register of Historic Places. Explore Washington State's historic places through our WISAARD Portal. And enjoy our image gallery!
