

## Washington Native Plant Nurseries

The following list emphasizes Washington state nurseries and all carry native species exclusively or primarily, in quantities suitable for restoration and mitigation projects. There are other nurseries in Washington that carry natives, not listed here, which are primarily retail, carry smaller numbers, or are newly established, but are nonetheless worth seeking out. On-line native plant nursery directories are listed last, and many are nation-wide.

**Derby Canyon Natives**, Peshatin, WA, 509-548-9404, [www.derbycanyonnatives.com](http://www.derbycanyonnatives.com)  
Carries container-grown plants native to central Washington.

**Eatonville Nursery**, Eatonville, WA, 360-832-4345; FAX 360-832-4769  
Several native tree and shrub species in containers. Also ornamentals.

**Fir Run Nursery**, Puyallup, WA, 253-848-4731; FAX 253-445-4988 [www.firrunnursery.com](http://www.firrunnursery.com)  
Reforestation nursery, carries primarily tree species, both native and non-native, smaller size of bare root and plugs, now branching out to native shrubs.

**Forest Flor Recovery Nursery**, Lummi Island, WA, 360-758-2778  
Many species of containerized and bareroot native trees, shrubs and herbaceous plants.

**Fourth Corner Nursery**, Bellingham, WA, 360-592-2250; [www.fourthcornernursery.com](http://www.fourthcornernursery.com)  
Large selection of native bareroot trees, shrubs, and emergents. Keeps records on all seed collection sites for genetic information. FAX 888-506-1236

**Judd Creek Nursery**, Vashon, WA, VOICE & FAX 206-463-9641  
Natives in containers, many common species and some more unusual ones too.

**Methow Natives**, Winthrop, WA, 509-996-3562, [www.methownatives.com/home/index.htm](http://www.methownatives.com/home/index.htm)  
A variety of container-grown plants native to eastern WA, and some bareroot stock.

**Plants of the Wild**, Tekoa, WA, 509-284-2848, [www.plantsofthewild.com/](http://www.plantsofthewild.com/)  
Eastern WA native plant nursery, carries containers and B&B.

**Sound Native Plants, Inc.** Olympia, WA, 360-352-4122, [www.soundnativeplants.com/](http://www.soundnativeplants.com/)
